03000 200 292

or alternatively use Aberdeen City Council self-service portal accessed through

www.aberdeencity.gov.uk

Hot Water Troubleshooting Guide

NO HOT WATER

Check each tap in your property in turn, let water run for one minute

Is water hot in any of the taps?

NO

YES

If hot water is running out of any of the taps the issue is likely to be with the plumbing rather than the hot water supply

Contact Aberdeen City Council Housing Repairs Team and describe the fault
